

Important Notice

To: All passengers who wish to travel to Sri Lanka during the COVID -19 Pandemic situation,

Facilitation of Swift Entry for all arrivals in Sri Lanka

The Embassy wishes to kindly convey that the Director General of Health Services of Sri Lanka has informed that all Sri Lankan and foreigners travelling to Sri Lanka need to complete the online Health Declaration Form prior to their arrival in Sri Lanka.

The relevant link in this regard is given below;

In addition to that, the Director General of Health Services has further informed that whilst the hard copies of the COVID -19 Vaccination Certificate and PCR Test results can be submitted on arrival, the online submission of the copies of the above documents could ensure swift entry for all arrivals avoiding delays that may be encountered during verification of the documents.
