

## Special Notice

**To: All Sri Lankan Community / Sri Lanka Well-Wishers in Israel,**

### **Urgently needed Medical Equipments for Sri Lanka**

Considering the numerous requests received from the overseas Sri Lankans and Well-Wishers on the opportunities available for them to contribute to reinforce the capacity of the health sector to contain the spread of the prevailing COVID-19 pandemic situation in Sri Lanka, the State Ministry of Production, Supply and Regulation of Pharmaceuticals of Sri Lanka has informed that the State Ministry is now agreed to accept the following medical equipments for the Government Hospitals.

	<b>Item</b>	<b>Required Quantity</b>
1	ICU Beds	50
2	Oxygen Production Plants (Oxygen Concentrators)	05
3	High Flow Oxygen Therapies	50
4	Jumbo Oxygen Cylinders	1,000
5	Pulse Oximeters	100
6	Mini Oxygen Concentrators	200

Since this Embassy has also received a number of such requests from the Sri Lankan Community in Israel recently, please note that if any patriotic Sri Lankan community member / Sri Lanka Well-Wisher wishes to provide the above items, the Embassy can facilitate to dispatch any donated items in coordination with the Foreign Ministry of Sri Lanka to obtain exemptions of the Customs Duty, if required.

In case of cash donations, you can credit the funds channeled through this Embassy or directly to the Account No. 85737373 of the 'COVID-19 Health Care and Social Security Fund' established by the Presidential Secretariat at the Corporate Branch of Bank of Ceylon.

For further information / clarifications in this regard, please contact the following officer of the Embassy;

Mr. K.P. Chandrathilake, Attaché - 058 6875764

Embassy of Sri Lanka  
Tel Aviv, Israel.
